

AMERICAN BANK NOTE HOLOGRAPHICS (JDS UNIPHASE) ROBBINSVILLE, NEW JERSEY

- OWNER:
JDS Uniphase Corporation
- ARCHITECT:
Jarmel Kizel Architects
Livingston, NJ
- SERVICES:
General Contracting

As General Contractor, Sweetwater participated in the renovation of 118,000 square feet for the relocation of American Bank Note Holographics, a world leader in the production of security and authentication holograms. Highlights of this project include R&D labs and offices, electronic and wet labs, and a quality assurance area.

Sweetwater completed another 4,500 square-foot renovation at this location to include two electronics laboratories, three huddle rooms, a conference room, storage room and open work area. The project was completed on time, under an extremely aggressive schedule.
