General Construction

Sweetwater performed this corporate expansion of Sankyo's space at 2 Hilton Court in Parsippany. The project included demolition of the existing space and renovation that includes offices, conference rooms, cafeteria, and training center. The millwork package required close coordination and a Starwall Office System was installed in the space. The project was completed on schedule.

Sweetwater recently finished multi-phased renovations to create a 10,000 square-foot Executive Suite on the 3<sup>rd</sup> floor of the headquarters' facility, miscellaneous other office upgrades, and the construction of a new video conference room.
