

HAMPTON INN

WOODBIDGE, NEW JERSEY

- OWNER:

Woodbridge Hotel Investors, Inc.
Mt. Laurel, New Jersey

- ARCHITECT:

Newcomers Architects
Chambersburg, Pennsylvania

- SERVICES:

Preconstruction
General Construction

Acting as the General Contractor, Sweetwater Construction Corporation worked with the owner, and the design team to fast track this 160-room hotel.

Working to the Hampton Inn's specifications, the building includes a CMU foundation, concrete slab on grade and a panelized light gauge metal framing system. The hotel includes guest suites, indoor pool, spa and restaurant.
