General Contracting

Sweetwater completed this phased 42,000 square-foot refresh with alterations, to the corporate headquarters on the 3rd and 4th floors. Layout included glassed perimeter offices, open offices, CEO suite, multiple conference rooms and breakout areas, mailroom, kitchen, and pantries. New finishes were comprised of paint, carpet and VCT, tile, millwork, glass, glazing, wallcoverings, and sealed concrete. Mechanical, electrical and plumbing modifications were also made.
