General Contracting

Sweetwater completed the fitout of this “small animal” hospital located within a strip shopping center. The 6,000 square-foot practice includes luxury dog and cat wards, 4 exam rooms, large treatment area, surgical suite, dental suite, digital x-ray suite, laboratory, isolation ward, pharmacy, offices, and a library. The reception area includes a sweeping desk with separate dog and cat waiting areas includes client amenities such as a kid’s nook, free wi-fi and coffee bar.

“I am extremely pleased and honored to have Sweetwater as the general contractor for this project. This is the most dedicated, efficient, and professional company that I have ever worked with and/or imagined.”

- Dr. Tom Tullio
