General Contracting

As General Contractor, Sweetwater worked with the client, and the architectural firm of Gensler & Associates, to renovate the Lobby and Food Service area of their Englewood Cliffs headquarters. The lobby features 1' by 2' multi-color Kashmere stone flooring and 2 two-story, poured-in-place elliptical staircases. Millwork in both areas contain extensive maple anigre. The renovated area has been designed to include an A/V room with projectors, screens and sound amplification.
